☐ BILINGUAL
 CORRESPONDENCE
 (TICK IF REQUIRED)

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please complete all sections highlighted in red. Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. **Please note that copies of all documents provided for the purposes of the audit must be certified as true copies of the originals by the Clerk and Chair.** Unless requested, please **do not** send any original financial or other records to the external auditor.

Bodies should note the changes to the Annual Governance Statement. This is to be completed in full by all Bodies.

Audited and certified returns are sent back to the Body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

ISSUES ARISING REPORT FOR
Tredegar Town Council
Audit for the year ended 31 March 2016

Introduction

The following matters have been raised to draw items to the attention of Tredegar Town Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2016.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Minor issues
- Petty cash has been included within box 6

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

Minor issues

What is the issue?

The following issues have been raised as minor issues or omissions have been identified in the current year's Annual Return:

Section 1 of the annual return does not add up by £1.

Why has this issue been raised?

This is to draw these minor errors to the attention of the council.

What do we recommend you do?

The council should ensure in future years that the above minor errors or omissions are not included in the Accounting Statements.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability for Local Councils in Wales - A Practitioners' Guide, OVW/SLCC

Petty cash has been included within box 6

What is the issue?

A petty cash float of £100 has been omitted from balances carried forward (boxes 7 and 11) and the total cash and investments figure (box 9).

Why has this issue been raised?

The council have understated its cash reserves at the year end.

What do we recommend you do?

The council must ensure that the petty cash float and transactions are fully accounted for on the annual return as it would for any other bank account. All transactions from petty cash should be recorded as made and any transfers between bank and cash excluded from payments and receipts.

Initially, we would recommend bringing the £100 balance, previously omitted, in as a receipt in box 3 to recognise the balance in the 2016/17 figures.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability for Local Council in Wales, A Practitioners' Guide - OVW/SLCC

No other matters came to our attention.
