Dear Sir/Madam,

Thank you for sending us the gift of £100.00 from Tredegar Town Council. We feel very fortunate that you chose to support Teenage Cancer Trust.

Your gift will help us to ensure young people don't face cancer alone. Whether that's by delivering specialist nursing care on our dedicated wards, helping young people with cancer deal with their worries together, or giving straightforward answers about treatment or relationships, we make sure young people always have someone to turn to.

Young people like Melissa, diagnosed with Hodgkin's Lymphoma when she was 13.

"When I was moved to the Teenage Cancer Trust ward, the difference was huge. It had lots of space where you could relax, like a sitting room and a kitchen, and there were other people my own age. I wasn't alone in my illness anymore, and that helped me to feel more positive. The staff on the unit were so helpful, too. *They didn't baby you or patronise you. They supported and treated you, but they also comforted and guided you, like a friend would.*"

Thanks to your support, we can continue to be there for young people from the moment cancer is diagnosed until long after treatment is over.

Currently we can only reach half of young people who need us. We have plans to change that. If you'd like more information about continuing to support us in reaching that goal we'd love to hear from you. Please do get in touch by phone, email or visit our website.

With thanks and best wishes,
